Professional Summary

I am very passionate about marketing, brand endorsement and out-of-the-box strategies. It is something that has always intrigued me. I am a self-motivated individual, always looking for opportunities which can, in any way to help me maximise my potential and put it to get the best output I can along with increasing by skillset. By brainstorming and coming up with creative strategies, I aim to learn more and be better at what I'm passionate about.
